HEAD TEACHER'S LETTER

Dear parent / carer

Thank you to all who attended our intervention evenings in the last two weeks. I hope you found the consultation with your child's mentor or form tutor helpful but if there is anything you would like to see done differently then we always welcome your feedback. As I have said previously the very best outcomes for our children can only be achieved when we work together.

Attached to the newsletter this week I have attached a document explaining which revision strategies and techniques work best. All our staff have received training on this last week and will be looking to incorporate these techniques where appropriate and share them with our pupils. I am often asked by parents how they can support their children at home with their studies so hopefully you will find the information useful.

Best wishes

Paul Smith
